

ESTATE ENTRY GATES AND AUTOMATION

PERFECTLY MATCHED

FINDING THE PERFECT MATCH BETWEEN GATE AND GATE OPERATOR CAN BE A DAUNTING TASK...UNLESS YOU USE AN AMERISTAR GATE SYSTEM.™

From commercial and multi-family gate entry needs to residential and private drive use, don't risk selecting the wrong operator or gate for your application. At Ameristar we've made it simple by pairing our gates with operators that are best suited to a variety of applications. We offer an array of gate designs and heights in ornamental steel and aluminum that are built to last with our high quality coatings and fully welded construction.

...IT'S NEVER BEEN EASIER

HOW DO I KNOW IF I HAVE THE RIGHT GATE OPERATOR FOR MY VOLUME OF TRAFFIC?

Ameristar has taken the guesswork out of wondering if the operator and gate are matched for your specific application. Each Ameristar Gate System has been paired with the appropriate gate and operator, so that its operation is in sync with the demand of traffic at your entry.

DO THESE GATES AND OPERATORS MEET REQUIRED SAFETY STANDARDS?

All Ameristar Gate Systems exceed the latest safety requirements by complying with ASTM F2200 and UL325 standards. Ameristar Gates are fabricated by skilled craftsman to the design criteria necessary to fulfill the latest safety requirements. When using an Ameristar Gate System you will have the assurance knowing that each system comes standard with the necessary entrapment devices required for safety compliance.

CHOOSING AN AMERISTAR GATE SYSTEM ENSURES RELIABLE FUNCTIONALITY AND YEARS OF WORRY-FREE OPERATION.

WHY CHOOSE AMERISTAR?

➤ **KNOWLEDGE & EXPERIENCE**

Ameristar was chartered 30 years ago in response to the demand by consumers and specifiers for specialty fence products. Ameristar offers an aesthetically pleasing product that is both high in quality and affordability. This has been achieved by maximizing high-volume productivity, increasing product design strength, and promoting simplistic installation.

➤ **PROVEN CAPABILITY**

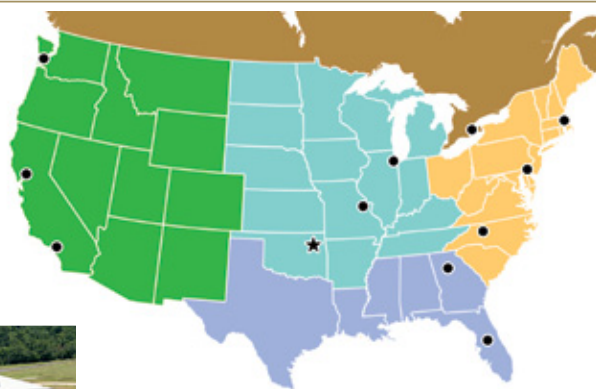

Ameristar's integrated in-house process and extensive raw material inventory results in much improved productivity and availability compared to the competition. By having a vast finished goods inventory, Ameristar is capable of delivering finished products faster than competitors who sublet the majority of their operations.

➤ **INDUSTRY LEADERSHIP**

Over the years Ameristar has continually raised the bar across the board in the manufacturing of high quality, innovative fencing products. Our demonstrated commitment to upholding higher values translates into superior products that go far beyond merely meeting minimum industry standards.

Ameristar's world headquarters, manufacturing & coil processing facilities in Tulsa, Oklahoma, USA.
