Warranty

Subject to the terms and conditions set forth herein, Gouldin Technologies, LLC, DBA CellGate ("CELLGATE") provides this Limited Warranty (the "Warranty"):

oOnly to the person or entity that originally purchased the Product from CELLGATE or its authorized reseller or distributor; and
oOnly for Products purchased and delivered within the fifty states of the United States.

Limited Warranty: CELLGATE warrants that the hardware portion of the CELLGATE Product (the "Hardware" or the "Product") will be free from material defects in workmanship and materials under normal use from the date of original retail purchase of the Product and for two years thereafter ("Limited Warranty Period") for Watchman Products and for one year ("Limited Warranty Period") for all other Products, except as otherwise stated herein. The customer's sole and exclusive remedy and the entire liability of CELLGATE and its suppliers under this Limited Warranty will be, at CELLGATE's option, to repair or replace the defective Hardware parts during the Limited Warranty Period at no charge to the original owner (though customer may be responsible for labor costs associated with repair of the Product,) or to a refund of the actual purchase price paid. Any repair or replacement will be rendered by CELLGATE either at an authorized CELLGATE service office or at the customer's location, to be determined by CELLGATE in their sole discretion. The replacement hardware need not be new or have an identical make, model or part. CELLGATE may, at its option, replace the defective Hardware or any part thereof with any reconditioned product that CELLGATE reasonably determines is substantially equivalent (or superior) in all material respects to the defective Hardware.

Repaired or replacement hardware will be warranted for the remainder of the original Limited Warranty Period or ninety (90) days, whichever is longer, and is subject to the same limitations and exclusions. **Warranty of Parts:** Any part purchased after the limited warranty period will be warrantied for 90 Days from parts purchase. If a material defect is incapable of correction, or if CELLGATE determines that it is not practical to repair or replace the defective Hardware, the actual price paid by the original purchaser for the defective Hardware will be refunded by CELLGATE upon return to CELLGATE of the defective Hardware. All Hardware or part thereof that is replaced by CELLGATE, or for which the purchase price is refunded, shall become the property of CELLGATE upon replacement or refund. **SUBMITTING A CLAIM:** ALL CLAIMS UNDER THIS WARRANTY FOR PRODUCT REPAIR ONLY MUST BE SUBMITTED TO CELLGATE IN THE MANNER DESCRIBED BELOW. CUSTOMER RETURNS OR EXCHANGES FOR REASONS NOT COVERED UNDER THIS LIMITED WARRANTY WILL NOT BE ACCEPTED BY CELLGATE. SUCH RETURNS OR EXCHANGES MUST BE MADE BY RETURNING THE PRODUCT TO THE ORIGINAL PLACE OF PURCHASE AND WILL BE SUBJECT TO THE RETURN OR EXCHANGE POLICIES OF THE ORIGINAL PLACE OF PURCHASE. NOTE: A 20% RESTOCKING FEE WILL APPLY IN THE CELLGATE OF ANY RETURN NOT COVERED UNDER THIS LIMITED WARRANTY AND THAT AMOUNT WILL BE WILL BE DEDUCTED FROM THE ACTUAL

PURCHASE PRICE AT THE TIME THE RETURN IS MADE. SUBMITTING A CLAIM FOR PRODUCT REPAIR: In order to submit the Product to CELLGATE for repairs believed to be covered under the terms of this Warranty, the customer must first contact the CELLGATE customer service department at 972-231-1999 for an RMA number for the Product. The customer must then submit with the Product as part of the claim (1) the RMA number, (2) a written description of the Hardware defect in sufficient detail to allow CELLGATE to confirm the same, and (3) proof of purchase of the Product (such as a copy of the dated purchase invoice for the Product). The defective Product must be packaged securely in the original or other suitable shipping package to ensure that it will not be damaged in transit. The customer is responsible for all in-bound shipping charges to CELLGATE. No CellGate on Delivery ("COD") is allowed. Products sent COD will either be rejected by CELLGATE or become the property of CELLGATE. Products shall be fully insured by the customer and shipped to Cellular Controlled Products, Inc, 3220 Keller Springs, #106, Carrollton, Texas, 75006. CELLGATE will not be held responsible for any packages that are lost in transit to CELLGATE. The repaired or replaced packages will be shipped to the customer via UPS Ground or any common carrier selected by CELLGATE. Return shipping charges shall be prepaid by CELLGATE if you use an address in the United States. Expedited shipping is available upon request and provided shipping charges are prepaid by the customer. CELLGATE may reject or return any Product that is not packaged and shipped in strict compliance with the foregoing requirements. The Product owner agrees to pay CELLGATE's reasonable handling and return shipping charges for any Product that is not packaged and shipped in accordance with the foregoing requirements, or that is determined by CELLGATE to be an Excluded Product or Repair.

What Is Not Covered: The Limited Warranty provided herein by CELLGATE does not cover: Products that, in CELLGATE's sole judgment, have been subjected to abuse, accident, alteration, modification, tampering, negligence, misuse, faulty installation, lack of reasonable care, repair or service in any way that is not contemplated in the documentation for the Product, or if the model or serial number has been altered, tampered with, defaced or removed; Initial installation, installation and removal of the Product for repair, and shipping costs; Operational adjustments covered in the operating manual for the Product, and normal maintenance; Damage that occurs in shipment, due to act of God, failures due to power surge, and cosmetic damage; Any hardware, software, firmware or other Products or services

provided by anyone other than CELLGATE; and Products that have been purchased from inventory clearance or liquidation sales or other sales in which CELLGATE, the sellers, or the liquidators expressly disclaim their warranty obligation pertaining to the Product, (collectively, "Excluded Products or Repairs"). If CELLGATE finds that the customer's requested Product repairs are Excluded Products or Repairs, CELLGATE will notify the customer of their findings and the reasons therefore and will provide the customer an estimate of the cost that will be incurred by the customer to repair the Product. The customer will then have 30 days to respond to CELLGATE and to either (1) pay for Product repairs or (2) request that the Product be returned to the customer at the customer's sole expense.

While necessary maintenance or repairs on your Product can be performed by any company, we recommend that you use only an authorized CELLGATE service office, as improper or incorrectly performed maintenance or repair voids this Limited Warranty.
